

2026 11th International Conference on CONTROL, ROBOTICS AND CYBERNETICS

Hefei, China / September 18-20, 2026

2026 11th International Conference on Control, Robotics and Cybernetics (CRC 2026) is set to take place from September 18-20, 2026 in Hefei, China. The event is proudly sponsored by Anhui University, China.

CRC, initially launched by a collective of committee members in 2016, has grown to be an annual conference with an important mission: to provide a global platform where scientists, scholars, and engineers can present their ongoing research, and foster meaningful research relations between universities and industries. The agenda for CRC 2026 promises an enriching experience, featuring keynote speeches from industry leaders, presentations of peer-reviewed papers, as well as a cultural and social program designed to facilitate networking and collaboration. We warmly welcome professionals, experts, management, and students from universities, research institutions, and companies to attend this conference.
