

2026 11th International Conference on CONTROL, ROBOTICS AND CYBERNETICS

Hefei, China / September 18-20, 2026

2026 11th International Conference on Control, Robotics and Cybernetics (CRC 2026) is set to take place from September 18-20, 2026 in Hefei, China. The event is proudly sponsored by Anhui University, China.

CRC, initially launched by a collective of committee members in 2016, has grown to be an annual conference with an important mission: to provide a global platform where scientists, scholars, and engineers can present their ongoing research, and foster meaningful research relations between universities and industries. The agenda for CRC 2026 promises an enriching experience, featuring keynote speeches from industry leaders, presentations of peer-reviewed papers, as well as a cultural and social program designed to facilitate networking and collaboration. We warmly welcome professionals, experts, management, and students from universities, research institutions, and companies to attend this conference.

Track 4

Networked, Distributed & Multi-Agent Systems

Track Chairs

Weiwei Bai

Dalian Maritime University,
China

Research Interests:
data-driven system, adaptive control, reinforcement learning, CPSs, and their applications to marine cybernetics

Zhiying Wu

Hefei University of Technology,
China

Research Interests:
Networked control and its applications to unmanned Systems, AI-driven intelligent control, and medical image analysis.

Kaiyun Xie

Hefei University of Technology,
China

Research Interests:
Control theory, Cyber-physical systems security, Data transmission scheduling, Markov decision processes, Game theory

TOPICS

- Networked control systems with communication constraints
- Distributed coordination and cooperative control
- Multi-agent systems and swarm intelligence
- Cyber-physical systems
- Complex adaptive systems and cybernetic mechanisms

Important Dates

Submission Deadline	June 5th, 2026
Notification Date	July 5th, 2026
Registration Deadline	July 20th, 2026

Publication

All submitted papers must be written in English. Accepted papers will be published in CRC 2026 Conference Proceedings, which will be archived in IEEE Xplore, and indexed by EI Compindex, Scopus, and other indexing services.

Submission Methods

- 1.Full Paper (Publication and Presentation)
 - 2.Abstract (Presentation Only)
- Online Submission System:
